	For 55 gal. Lids	

Closed Head Drum Bung Hole Transfer Tube Set. Use these two threaded elbows for the filling of any sealed drum equipped with (3/4") and (2") bung holes in the lid. Each tube screws into the drum lid for attaching a 2" and a 1-1/2" hose. Use standard Minuteman tools for vacuuming after connecting one of the hoses to any standard Minuteman wet/dry vacuum.
