

Minuteman[®]
More Than Just Clean

Scrubmaster B25 Walk-Behind Scrubber

- Cleaning system with disc brush and pads
- Compact, maneuverable and ergonomic
- Eco mode for noise-reduced, energy-saving operation
- Easy-to-transport

The New Scrubmaster B25 combines high performance with ease of use in a compact design

Minuteman[®]
More Than Just Clean

A user friendly control panel with intuitive control elements.

A quick disconnect allows you to remove the squeegee for daily cleaning and maintenance.

Easy fill compartment conveniently located on the front of the scrubber for efficient and operator ease of use.

SPECIFICATIONS	
Length of machine (bar folded in/working position)	38.2/47.2 in.
Width of machine (without/with squeegee)	20.5/24 in.
Height of machine (bar folded in/working position)	33.1/43.3 in.
Brush unit	17 in.
Squeegee	24 in.
Theoretical sweeping capacity	18,299 ft ² /h
Weight (empty, with Lithium Ion battery)	165 lbs.
Total weight (ready for use with Lithium Ion battery)	220 lbs.
Solution tank	6.6 gal.
Waste water tank	6.6 gal.
Brush speed	150 rpm
Brush contact pressure	73 lbs.
Nominal voltage	24 volts
Nominal output (max.)	770 watts

Antibacterial tanks reduce fungal and bacterial growth, odor development.

Easy removal of the tank provides easy access to the vacuum motor and lithium ion battery.

Up to two hour run time on a single charge.

Multiple level height adjustment handle for easy access to hard to reach places and perfect for transporting.

NOISE EMISSION VALUE	STANDARD OPERATION	ECO MODE
The sound power level (LwAd) measured under the customary conditions of use according to DIN EN 60335-2-72 is:	88 dB (A)	84 dB (A)
The sound pressure level (LpA) (at the ear of the driver) measured under the customary conditions of use according to DIN EN 60335-2-72 is:	70 dB (A)	67 dB (A)
