

## Kleen Sweep 27 Commercial Vacuum Sweeper

- A shock-proof steel frame, sturdy aluminum housing, and strong synthetic hopper make the HM27R great for use in any environment
- Compact design fits through any standard door and can be used inside and outside
- Main broom and side brush can be adjusted for optimum adaptation to floor conditions and type of dirt

# Minuteman®

More Than Just Clean

## General Overview

- The HM27R is an ideal replacement for manual sweeping
- Picks up dirt quickly without leaving dust behind
- Lightweight and convenient, yet virtually indestructible
- Great for workshops, outdoor areas, paths, machine shops, stockrooms, parks, small yards, parking areas and loading ramps
- Goes where large sweepers cannot

## Productivity

- The HM27R sweeps up to 24,575 sq. ft. per hour
- Works up to ten times faster than manual sweeping with a dustpan and brush

## Ease of Use

- Stairs and curbs can be climbed easily due to the large rear wheels.
- Optimum position of the handle allows the operator to use the position that is most comfortable as it can be easily switched around
- Dirt Hopper can be removed and replaced easily utilizing the handle

## Markets

- Commercial
- Institutional
- Healthcare
- Hospitality
- Retail

**Effortless**

**Compact**

The side broom sweeps dirt out of corners, directly into the path of the wide main broom and then into the large dirt hopper.
