All-in-One

Brush | Vacuum | Water Sprayer

An Ergonomic and Intuitive Control Panel

- One touch solution stop
- Clear view vacuum dome
- No need to hold solution flow offering less operator fatigue

Supreme Cleaning

A combination of a single, **adjustable brush** running at 1800 RPMs, a **spraying system** designed to dispense cleaning solution onto the carpet during the cleaning process, and a **heavy-duty vacuum** that efficiently collects the dirty water and debris from the carpet, leaving it clean and virtually dry **is why the X17 carpet extractor delivers supreme cleaning.**

After adjusting the brush height, the machine will detect within seconds when you can start cleaning – “**when it’s green, it’s time to clean.**”

PRESSURE GAUGE

Soiled Carpet Fibers

Soil particles and grease attach to carpet fibers.

ECO2 is Applied

ECO2 surrounds and encapsulates dirt and greasy soil.

Soil is Vacuumed

Vacuum agitation breaks up encapsulated soils for easy extraction.

Convenience & Portability

Faucet-Fill Function

- Easily fill the solution tank using the built in hose and adapter

Cleaning Path

- A 17" cleaning path for high productivity

No Leakage

- Never worry about solution leaking

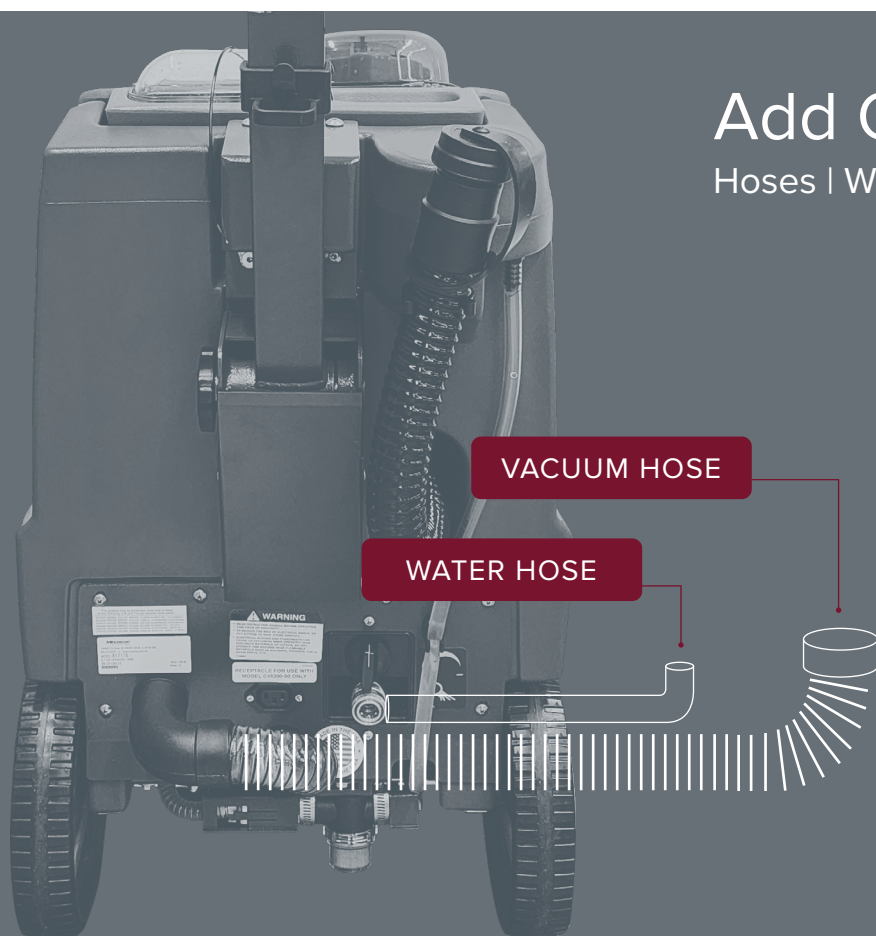

Adjustable Handle

- Easy to maneuver especially down or upstairs

Add Ons

Hoses | Wand | Upholstery Tool

X17 Carpet Extractor Series
