Minuteman®

More Than Just Clean

Universal controls and battery level light indicator allows ease of use for the operator.

Proprietary "No Tools Required" brush auto-load and unload hands free with a simple the turn of the key.

Equipped with Minuteman's auto adjust aqua-stop ring which reduces water and cleaning solution up to 50%.

The on-board smart charger allows the machine to be charged anywhere there is an outlet. When the on-board charger is plugged in, the machine is non-operative for safety. Once full the "smart Charger" refrains from over-charging to extend battery life.

Designed with captured gasket technology which offers a low cost of ownership and is equipped with a 13-gallon hygienic easy-to-clean tank.

The sleek compact design and low brush deck is ideal for cleaning around and underneath obstacles. The ability to reach and clean in tight spaces with an excellent line of sight to the area to be cleaned.

Specifications
