

The X17 Series combines powered brush agitation with high pressure spray and a wide 17" vacuum shoe for unparalleled maintenance cleaning of carpets in offices, schools, hotels, medical centers, retail centers and more.

The patented ozone system on the CFS equipped units provide strong, chemical free deodorizing and sanitizing capability.

X17 SERIES

SELF-CONTAINED CARPET EXTRACTORS

X17 Series Features & Specifications

Durable Polyethylene solution & recovery tanks for long life

Convenient sink adapter for easy filling

WIDE 17" cleaning path for high productivity

Large rear wheels & dolly design for easy transport

Key Features:

- Constructed of non-corrosive polyethylene that won't dent, corrode or rust.
- Two quick disconnect spray jets allow for simple maintenance.
- Automatic float shutoff prevents damage to the vacuum motor.
- Single, adjustable brush runs at 1800 RPM.
- CRI Certified for proven cleaning performance.
- Large 9 or 11 gallon solution tank and 7.5 gallon recovery tank.
- On-board power for optional scrub wand and extraction tools.
- Faucet-fill function offers convenient filling of the solution tank.
- Removable recovery tank has convenient dump hose that saves time and empties easily.
- Adjustable handle fits to the size of the operator

CFS From Minuteman

The patented CFS (Chemical Free Solution) system requires Zero chemical or disinfectants. The CFS equipped machines use Ozone to sanitize, deodorize and purify soft floors using an innovative Ozone technology that's revolutionizing the way we clean carpets.

Sanitize - Ozone kills pathogens more broadly than chlorine or other chemical sanitizers

Deodorize - Ozone is one of the most powerful deodorizers known

Purify - Ozone destroys residual pesticides in water and on the surface of carpet and breaks down trace pharmaceuticals (e.g. estrogen) in water

Conserve - Ozone creates fewer by-products than chemical sanitizers and uses less energy than sanitizing with heat

Don't wear out your thumbs! Our trigger system stops the spray so you don't have to hold it down to clean.

Adjustable handle height to fit the operator

Inline filter with shutoff valve to protect the pump

Models	X17/X17 HP	X17 CFS	X17 Plus/ Plus HP
Cleaning Path Width	17" (43 cm)	17" (43 cm)	17" (43 cm)
